## OCTOBER - OVERVIEW

The month of October is dedicated to the Holy Rosary. The Memorial of Our Lady of the Rosary is celebrated on October 7. October falls during the liturgical season known as Ordinary Time, which is represented by the liturgical color green. This symbol of hope is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection.

## THE HOLY FATHER'S INTENTIONS

The Laity's Mission in the Church: We pray that by the virtue of baptism, the laity, especially women, may participate more in areas of responsibility in the Church.

## HIGHLIGHTS OF THE MONTH

During October, as in all of Ordinary Time (formerly known as Time After Pentecost), the Liturgy does not focus on one particular mystery of Christ, but views the mystery of Christ in all its aspects. We follow the life of Christ through the Gospels, and focus on the teachings and parables of Jesus and what it means for each of us to be a follower of Christ.

**YOCUT-YOUTH CATECHISM OF THE CATHOLIC CHURCH**

Chapter Two

God Approaches Us Men

How can we tell what belongs to the true faith?

**We find the true faith in Sacred Scripture and in the living Tradition of the Church. [76, 80-82, 85-87, 97, 100]**

The → NEW TESTAMENT developed out of the faith of the Church. Scripture and Tradition belong together. Handing on the faith does not occur primarily through documents. In the early Church it was said that Sacred Scripture was “written on the heart of the Church rather than on parchment”. The disciples and the → APPOSLES experienced their new life above all through a living fellowship with Jesus. The early Church invited people into this fellowship, which continued in a different way after the Resurrection. The first Christians held fast “to the apostles’ teaching and fellowship, to the breaking of the bread and to the prayers” (Acts 2:42). They were united with one another and yet had room for others. This is part of our faith to this day: Christians invite other individuals to come to know a fellowship with God that has been preserved unaltered since the times of the apostles in the Catholic Church.

**THE 106TH WORLD DAY OF MIGRANTS AND REFUGEES**

will be celebrated this Sunday, September 27th. This year’s theme is Forced Like Jesus Christ To Flee! Pope Francis encourages us to reflect on the community of internally displaced peoples across the globe – those who have been forcibly displaced within the borders of their country of citizenship. At the end of 2019, the UN Refugee

Agency reported that an astonishing 45.7 million people were internally displaced due to armed conflict, generalized violence or human rights violations. It is noteworthy that this number is larger than the world’s refugee population – those who have been forced to cross an international border in search of protection. While COVID-19 has undermined the ability of the Diocese of Hamilton to host our Annual Multicultural Mass this year, we encourage everyone to call to mind this important day in your prayers!

**PARENTING TIP OF THE MONTH**

The COVID-19 pandemic has changed the way we live in very real ways. Children are not immune to the impact that the virus has had and have probably heard more than we realize between media news clips and overhearing adults talking. This is a time to talk to your children and help them understand more fully what is going on in the world. Tell them that they can help themselves and others to be healthy and safe by following the instructions given by their parents, by teachers at school and by other adults who care for them. Remind them that our Catholic faith adheres to the fact that every person has dignity and each of us has to do our part to keep all people as safe as possible. As a family pray daily for all people to remain vigilant in their actions so we can defeat this virus. Empowering our children with concrete information and actions to undertake can prevent the development of very real anxieties from developing.

**MARRIAGE TIP OF THE MONTH**

Couple relationships often experience strain during times of stress and the last several months have provided some of the highest stress many couples have faced. It is important to step back and recognize why tensions might be running high and then engage in actions that can release the pent up stress. Try cooking together, walking, biking or hiking together, praying together, or any activity that will bring laughter to the day. It may even mean finding ways to have some time apart, whether that be one person being outside while the other is in, or one person being on one floor of the house, while the other is on another. Time together is wonderful, but too much can be distressing! Remember that you are in this together and together you can find ways to feel connected and beat any feelings of stress.
