DECEMBER

The first 24 days of December fall during the liturgical season known as of Advent and are represented by the liturgical color purple — a symbol of penance, mortification and the sorrow of a contrite heart. The remaining days of December mark the beginning of the Christmas season. The liturgical color changes to white or gold — a symbol of joy, purity and innocence.

national organization is operating virtually. Membership with the catholic women's league has many benefits which include : as a parish we offer monthly masses for living and deceased members of the catholic women's league . We contributed to the one heart one soul campaign for our parish.

At this time we are very limited to what we can do, however we are looking forward to the day we can return to normal activity. In the meantime thank you for your membership and continued support in this valuable organization that enables us to help out in many areas of our parish and community. Hope everyone is well and the catholic women's league wishes you and your family a blessed Christmas and a Happy New Year. God bless you and your family.

DISPOSING OF BLESSED ITEMS

As Catholics, we are accustomed to having religious objects "blessed." Once a religious object is blessed and dedicated for divine worship or veneration, it must be treated with reverence and not be used in either an improper or profane way (cf. Code of Canon Law, #1171). However, blessed religious objects break or wear from use. The basic rule for the disposition of these items is to burn or to bury them. Polluted or excess holy water must be poured into the ground. Palms are to be burned, and the ashes then used for distribution on Ash Wednesday or returned to the ground. A broken rosary or religious statue normally would be buried. In all, the underlying idea is that what has been dedicated to God should be returned to God. Never should one just "throw out" what has been dedicated to God. Interestingly, this same reasoning governs the disposition of the Holy Eucharist. In each sacristy, there is a sacrarium, which is a sink which does not drain into the sewer system, but directly into the ground. If, for some reason, the priest had to dispose of a Sacred Host, he would dissolve the Host completely in water and then rinse it down the sacrarium with water. Living in a society where things have become so disposable, we must not forget those religious objects that have been blessed and dedicated to God and for sacred use. Please be sure to always cherish the blessed religious objects at home, venerate them with piety, and when necessary, dispose of them properly.
