TWENTY-SECOND SUNDAY IN ORDINARY TIME – AUGUST 29, 2021

Our second Scripture reading reminds us that "Every generous act of giving, with every perfect gift, is from above, coming down from the Father." God's gifts should prompt a response of gratitude, which should be the basis of our daily lives. If you feel God is offering you the gift of priesthood, religious life or deaconate, and you wish to respond generously, trusting in God, call Fr. Michael King, Director of Vocations, Diocese of Hamilton, 905-528-7988 ext. 2246.

SEPTEMBER

The month of September is dedicated to [Our Lady of Sorrows](#), whose memorial the Church celebrates on September 15. September falls during the liturgical season known as [Ordinary Time](#), which is represented by the liturgical color green. This symbol of hope is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. It is used in the offices and Masses of Ordinary Time.

WORLD DAY OF PRAYER FOR THE CARE OF CREATION

In 2015, Pope Francis declared September 1 as the World Day of Prayer for the Care of Creation. Coinciding with a celebration instituted by the Orthodox Church, it is also a day of ecumenical prayer and unity.

The Pontifical Council for Justice and Peace (which is in the process of merging with the Dicastery for Promoting Integral Human Development) has some proposed celebration on their website. Gathering for prayer are encouraged to take practical initiatives to combat earth's environmental crisis.

ST. GREGORY THE GREAT, MEMORIAL

St. Gregory, senator and prefect of Rome, then in succession monk, cardinal and pope, governed the Church from 590 to 604. England owes her conversion to him. At a period when the invasion of the barbarians created a new situation in Europe, he played a considerable part in the transitional stage, during which a great number of them were won for Christ. At the same time he watched over the holiness of the clergy and preserved ecclesiastical discipline, as well as attending to the temporal interests of his people of Rome and the spiritual interests of the whole of Christendom. To him the liturgy owes several of its finest prayers, and the name "Gregorian chant" recalls this great Pope's work in the development of the Church's chant. His commentaries on Holy Scripture exercised a considerable influence on Christian thought, particularly in the Middle Ages. Together with St. Ambrose, St. Augustine and St. Jerome, he is one of the four great Doctors of the Latin Church.

ST. MOTHER TERESA OF CALCUTTA (KOLKATA)

"By blood, I am Albanian. By citizenship, an Indian. By faith, I am a Catholic nun. As to my calling, I belong to the world. As to my heart, I belong entirely to the Heart of Jesus." Small of stature, rocklike in faith, Mother Teresa of Calcutta was entrusted with the mission of proclaiming God's thirsting love for humanity, especially for the poorest of the poor. "God still loves the world and He sends you and me to be His love and His compassion to the poor." She was a soul filled with the light of Christ, on fire with love for Him and burning with one desire: "to quench His thirst for love and for souls." This luminous messenger of God's love was born on 26 August 1910 in Skopje, a city situated at the crossroads of Balkan history. The youngest of the children born to Nikola and Drane Bojaxhiu, she was baptised Gonxha Agnes, received her First Communion at the age of five and a half and was confirmed in November 1916. From the day of her First Holy Communion, a love for souls was within her. Her father's sudden death when Gonxha was about eight years old left the family in financial straits. Drane raised her children firmly and lovingly, greatly influencing her daughter's character and vocation. Gonxha's religious formation was further assisted by the vibrant Jesuit parish of the Sacred Heart in which she was much involved.
